NABIP Southwest Virginia Earns Prestigious Silver Certification

Roanoke, VA - NABIP Southwest Virginia has been awarded Silver Certification through the National Association of Benefits and Insurance Professionals' Chapter Certification Program.

The Chapter Certification Program recognizes high-performing NABIP chapters that demonstrate a strong commitment to leadership, chapter growth, member engagement, and year-round professional development. Silver Certification reflects a chapter's continued work to strengthen operations, improve communications, and deliver meaningful value to members and the communities they serve.

NABIP Southwest Virginia earned this recognition for its continued dedication to advancing the chapter, supporting local benefits and insurance professionals, and creating opportunities for education, connection, and engagement across the region.

"NABIP SW-VA's Silver Certification reflects the chapter's strong leadership, member engagement, and commitment to professional growth," said Susan Rider, President of NABIP. "We are proud to recognize this well-deserved achievement."

"I am proud to see NABIP Southwest Virginia recognized at the national level," said Hetal Vora Seawell, President of NABIP Virginia. "This achievement reflects the chapter's dedication to its members and the communities they serve."

"NABIP SW-VA is committed to creating opportunities that support and strengthen our members locally," said Amanda Kidd, President of NABIP SW-VA. "We are proud of this recognition and excited to continue building on this momentum."

About The National Association of Benefits and Insurance Professionals (NABIP)

[NABIP](#) is the preeminent organization for health insurance and employee benefits professionals, working diligently to ensure all Americans have access to high-quality, affordable healthcare and related benefits. NABIP represents and provides professional development opportunities for more than 100,000 licensed health insurance agents, brokers, general agents, consultants, and benefit professionals through more than 150 chapters across America.
